Dear Mr. & Mrs. Frese:

We all know there is no place like home for the holidays. Thank you for your generous gift of \$500.00 which helped us celebrate the season with festive lights, sweet treats and warm cheer. During the holidays and all year long, we want to welcome families of sick children with Open Hearts and Open Doors to our very special home-away-from-home. Your kindness directly supports the thousands of families who benefit from our House and Family Rooms. No goods or services were provided in exchange for your donation. Your heart-warming gift lovingly helps provide a warm and cozy haven from the hospital on these cold winter days.

Some children must travel great distances to get the medical attention that they need. Their stays at one of our regional hospitals can last weeks or even months causing them to leave the comfort and security of their home. For these families finding a place to live can be very difficult so they turn to Ronald McDonald House. Our mission is to offer a warm and supportive environment during this difficult time, regardless of their economic status. For this reason, we rely on donations such as yours to make a difference in the life of each family here at Ronald McDonald House SNJ.

Our Ronald House has provided overnight accommodations to more than 23,000 families struggling with sick children during the 30 years since we opened as the first house in NJ. In 1983 we could only imagine that one day we would have been able to accommodate so many families from around the world. Hundreds more are helped each day by our Family Room program in 11 locations across South Jersey. Your donation will continue to make life easier for the many families served by our House and Family Rooms. Thank you for helping us help the many children and parents as we expand the mission of "the house that love built®".

On behalf of all the families, thank you for helping us improve the health and well being of children by providing hope, help and home.

With sincere appreciation,

Ann D. Thomas
